

## AWARENESS TIPS ON UNNOTICED SECRETS

They are not the glittering jewels which enhances the real facial beauty, but the internally blissfully bloomed ever attractive sincere smile. It is not the members of the family which make the strength but it is the economical strength of the family which make the real strength. It is not the huge wealth which grows oneself the required self confidence, but it is his own academic strength. It is not the huge money in the pocket which become the mobile wealth, but it is one's own awareness.

It is not one's muscular power which becomes the strength, but it is one's own patience. Taking revenge on one's own enemy is not the real punishment, but totally forgiving and ignoring one's enemy is the real positive reforming. It is not the endless urge which makes one successful, but it is untiredly constant positive attempt with ever enhanced energy. The real gauge for one's sincerity for duty is not the punctuality, but his dedicated total commitment.

The real value of our individual is not assessed by his loud words, but in keeping up his promises. The real secret of one's success is not hurried short cut methods, but walking through hard and painful sincere right path. The real right and easy way of any problem solving is not breaking heads in groups or spending sleepless nights, wasting pounds for pennies, but acquiring awareness and applying it at right time. The real winner of any gain is not who some how just wins the game, but one who really wins the hearts of the spectators.

The infinite irrevocable strong power not lies in nuclear power, but in the unbreakable unity. The secret of successful student's study not lies in days together by hard, but simple dedicated concentration. It is not the lavishly spending showful life which gives the real happiness, but it is calm and simple life. It is not the enemy who is outside, but in reality the biggest enemy is within you, who creates self invited troubles, that is your non adamant unyielding ego.

There are many professional problem solver outside who advise solutions on trial and error basis, but the real free inbuilt self solution's master adviser is meditation. They aren't the fights for rights which are cause for wild violation, but in reality they are unethical, aimless, endless greed and pleasure. They aren't one's mistakes which are major cause for worries, but infact it is primarily one's greed. They are not the power, force, lure which will make one to work, but purely it is his goal which will inspire him not only involve, even to self sacrifice.

A greedy selfish can make shrewdly crores of wealth, but if you invest little in selfless social service, effortlessly in short time it multiplies unaccountably. It is not the death which causes huge loss, but in reality it is the death of unexercised hidden hidden great skills in oneself. Loving is not mere personnel attraction of self interest, but in reality it is selfless, sincere, pure sacrifice. The teacher is not he who merely teaches syllabus, in reality is he one who nurtures the real lives of his students. The winner of the war is not he who wins the real war, but is he, who diplomatically, awareness fully avoids the war itself.

Fast multiplying one's wealth is not growing rich, in reality it is by sharing and growing on cooperation basis. It is not the advices which will bring unity in children, but it is the team work. It is not the education, which unites the countrymen, but it is the great respect for nationality. It is not at all any noble teacher who guides to reach the bottom of most curious things in life, but it is one's own abundant curiosity. It is not more money, power, knowledge, urge to multiply one's friends, but it is his simply friendly, attractive attitude which works like a magnet.

A greedy man struggles life long to make millions, whereas a kind hearted man's little sacrifice into helping the needy miraculously multiplies fast into crores. The real leader is not he who demands or commands, but is he who sincerely selflessly, strives, serves and sacrifices for the sake of masses. It is not important that one lives how long, but it is effectively time utilized how long? It is not counted how one lived and died, but he lived for any worthy purpose, that only adds value for his birth. In general every body will

struggle to make their wealth, in reality they have to struggle to maintain their health; guides or advisors are not well wishers, friends or professionals who meet your requirement partially, but real ones are books which root out your all sorts of doubts.

He is not lucky who has billions, but lucky is he who has right guru (perfect advisor). The real defeat is not loosing the battle, but it is one's own mental acceptances of defeat and stopping further attempts to achieve success. He is not lucky who is affluent, but in reality it is he who has the abundant enthusiasm. Problems are not hurdles in life to worry, in reality they are interest enhancing puzzles to search for novel solutions for successful future. The incidence of death is not to worry about and of beautiful life, but in reality it is the alarming time fixed to speed up your goal, so as to complete before that time limit.

They are not resulting laws stipulated by parents, teachers, bosses, governing bodies, religious restrictions, but the real laws are only one's personally accepted morals and ethics. The right gift is not precious, attractive and voluminous, but in reality it may be simple, highlights your relation and timely useful to the receiver. It is not the gratitude just to convey in words to the helper, in reality it is the habit of practicing helping the needy thereafter. It is not lavish party, picnic, travel, shopping an entertainment, in reality it is the dedicated interesting work of your own.

The senior is not he who is just aged, in reality is he who has wisdom. The happiness of life not lies in uncertain future, but in reality it lies only in optimizing the present. Fury is not blasting whenever, wherever, however you wish, in reality it is releasing the angle at right time, at right person, at right quantum. They are not the shocking out side noises which will disturb you much, but in fact they are the fears within you bothers you very much.

Some times it may not be a long discussion with well wishers will emerge a solution for your problem, but it may be few minutes solitude in silence may spark at you a surprising, simple, solid solution. It is not the problem which cripples one, but in fact it is mainly the invisible frightening one's anxiety which causes unbearable worry. One reads and knows many mysteries of the world, but in reality, the great mystery of the mysteries is that he himself will not know his own hidden qualities with in himself. Your eye is just a camera which just captures the scene, but in reality it is the concentrated mind which observes and remembers many micro details in a short time.

When suddenly a serious problem arises, it is not the timely needed solution search worries, in reality it is not irrelevant fear much worries. Every one restlessly run for an expert guide to solve their problem, in reality there is a cost free, perfect master guide which explores most suitable solutions time to time, that is meditation. After smoking one exhale the smoke outside blissfully, in reality it is the smoke of burning one's own body parts internally. It is not the entertainment which actually melodious music gives, in reality, it is the deep bottom feeling of healing of entire body and soul.

When you work heavily or exercise, the sweat comes out will not represents your body pain, in fact it is your body expelled poison. Every suicider believes that by committing suicide he will be punishing himself for not meeting his prime wish of life, but in reality he is ignorantly prematurely mercilessly killing his own precious abilities, putting all well wishers to unending agony and not repaying the debt to the nation.

There are many more such unnoticed secrets of amazing strength. One must visualize such hidden valuable secrets with awareness and implement perfect decisions for prosperous future of one's previous life.
